Final Registration Dates (Principal Candidates): August 31 – September 01 – 02, 2026, Monday-Tuesday-Wednesday (Must be done in person by 17:00.)

Final Registration Dates (Waitlisted Candidates): September 03, 2026, Thursday (Must be done in person by 17:00.)

DOCUMENTS REQUIRED FROM INTERNATIONAL STUDENTS DURING FINAL REGISTRATION

(Final Registration of International Students Must Be Done in Person)

1. Candidates who have earned the right to enroll in graduate programs must register by applying in person to the Institute. Registration cannot be done by mail or through anyone other than the candidate. However, registration can be completed by individuals authorized with a power of attorney issued by Turkish Foreign Representative Offices or Turkish Notaries.
2. The originals of all documents submitted during the application, along with their certified Turkish translations obtained from sworn translation agencies or Turkish Foreign Representative Offices, must be submitted during registration.
3. Scholarship candidates must submit the original copies of their scholarship documents along with a certified Turkish translation approved by a notary, sworn translation agency, or Turkish Foreign Representative Offices during registration.
4. The original passport and student visa, along with their Turkish translations obtained from sworn translation agencies or Turkish Foreign Representative Offices, must be submitted.
5. Four biometric passport photos (4.5 cm x 6 cm in size) taken within the last 6 months must be submitted.
6. Other documents required by the Republic of Türkiye Directorate General of Migration Management regarding residence registration will be requested during registration. The University will apply for the residence permit; students who are denied a residence permit by the Directorate General of Migration Management will be deregistered.
7. A document proving the payment of the tuition fee must be submitted.
8. Placement results will be announced on the Institute's website on the date specified in the announcement text. An official acceptance letter will be issued by the University so that the admitted students can obtain a visa. Candidates who fail to register within the specified period will be deemed to have waived their right to enroll.

IMPORTANT POINTS TO CONSIDER DURING FINAL REGISTRATION FOR INTERNATIONAL STUDENTS

1. Candidates must submit the specified documents for final registration to the institute in person, placed inside a plastic folder.
2. Registration cannot be done by mail.
3. Candidates who are missing "true copy" (aslı gibidir) certifications on the required documents, who make false declarations, and/or who alter documents will not be registered, even if they are successful in the exams. The registration of students whose preliminary or final registration was based on false information and documents will be canceled.
